ART EXHIBITIONS

'Highbury Park in Snow' All Saints Community Cafe Exhibition 7th January - 25th February 2018

Brian Sheridan is a multi-disciplinary photographer and visual artist whose methodologies are rooted in walking and matters related to land, the environment, ecology and natural history. These landscape images of trees in Highbury Park during the recent snow, form part of a larger collection of trees in Highbury Park throughout the seasons, and over a number of years. They represent Brian's love of trees, their beauty and surreal shapes, their unsung contribution to civilisation and culture, and their integral role in creating and regulating an atmosphere suitable for human habitation. **Forthcoming exhibition** will be paintings by Faiqa Uppal Sunday 25th February - Sunday 18th March
